

This year Annual day program was fantastic. We really enjoyed this year programs with our family. We found, all the kids were trained very well. I am sure, the enormous efforts given by teachers to trained the kids such a great performance. I really appreciated the hard work behind the show and hearty congrats to all UPS team. The programs were mixed up of varieties like skits in different languages, mimes, Khiraat, songs etc with the messages for parents and students.

Great show! Keep up the Good work!

My Hearty Congrats and wishes all the very best to all UPS Team!

Best Regards,
